

Petcare Plan

Instructions

How can you make sure your pet is looked after when you are no longer able to care for them? Should you need to go into hospital, temporary care or you pass away, what will happen to your pets?

You also need to ensure your Will is kept updated. If there is no provision in your will, the residuary beneficiary will inherit your pet.

If you do not have a valid Will your pet will go to your next of kin. For more information you can contact Public Trustee and Guardian at: www.ptg.act.gov.au or 02 6207 9800.

It is also prudent to leave your Attorney appointed under an Enduring Power of Attorney with instructions as to how to care for your pet in the event you no longer have the capacity to do so. You can give them this Petcare Plan as a guide.
